

FIRST LUTHERAN CHURCH ELEVATOR PROJECT

Construction is now underway to install a new, larger, and user-friendly elevator. As part of the project, we will now have handicapped-accessible restrooms on each floor. Kevin Downey reports that the demolition phase is almost completed and the contractor is a little ahead of schedule on the project timeline.

This is a major construction project, with an anticipated cost between \$420,000 and \$460,000 and will run through most of the summer. Some grant funding has already been received and efforts are underway to apply for additional grants.

As part of this funding drive, First Lutheran kicked off a capital campaign on Sunday, April 19th. Your Church Council invites you to prayerfully consider pledging your support for this important project. Please use the pledge form below to make a commitment to support the elevator project. Gifts may be made in lump sums or spread periodically up to three years.

If you have any questions about the project or the capital campaign, please reach out to Al Gesler, Kevin Downey, Tom Pierotti or members of the Church Finance Committee (Don Reed, John Kersey, Sally Hawkinson & Cathy Hall.) Pledge forms should be returned to Lori Nowacki in the Church Office. For contact information, please call the Church Office at (814) 723-6450.
